Dear Parents / Guardians,

Another academic year is upon us and with this comes an exciting Covie group program.

We've planned a range of activities for our young people, taking place every Friday (other than during the school holidays). We hope the young people who attend these events will enjoy a time of fun and fellowship, getting to know each other and God that little bit better.

Obviously in order for these events to run successfully, we need to have the relevant paperwork in place. All Youth leaders are CRB (Police) checked and have a wealth of experience working with young people.

I have attached a General Consent Form which will allow parents / guardians to complete one form to cover all activities and trips throughout the year.

You will still be informed in writing (either by email, letter or text) about all trips and activities that are being run for your young person, but leaders will still need to know in advance whether or not they would like to come. We hope that by having already given your consent we will save you time and hassle.

To save you further hassle, we will not re-issue the form until this time next year. However, it is vital that our records are kept up to date for your child's welfare, so we would ask for you to inform us of any changes immediately (such as a change of address). Many thanks.

If you have any questions or concerns about filling in this form please feel free to speak to me or any member of the Youth Work Team (Jono, Ben, Bob, Alice and Sarah).

As a team we are seeking ways to improve the structures already in existence and to manage the youthwork well, for the young people in our church.

Thank you for your continual support and encouragement,

Sarah Butland (on behalf of the WDEC Youthwork team)
